WELCOME!

The way Hradečanka chalet has been since the late 18th century you won't find anywhere else. While we have completely rebuilt it, we did it with style. That is why the third oldest building in Malá Úpa has lost none of its original look. And why Hradečanka? It got its name right from the start from the bakers of Hradec Králové, who came here to relax at the company-owned chalet. Today Hradečanka offers you comfortable accommodation with mountain design, a dining experience with an Italian touch, a wine cellar with international wines and entertainment in a modern ski bar.

Welcome to Hradečanka! Enjoy it to the fullest!

BEER

Doporučujeme vyzkoušet pivo z místního pivovaru Trautenberk, který We recommend that you try the local beer from the Trautenberk brewery located opposite our chalet. They brew beer there without pasteurization or filtering, a zesty, refreshing beer, just right. Our menu offers Trautenberk 11 and occasional specials with higher alcohol content.

Beware of avalanches in the mountains during winter. Our Bernard dark beer is not so dangerous. Rather it offers a remarkable experience for all the senses. It's a dark lager with a slightly bitter taste. It's characterized by the avalanche effect – the gentle swirling of thick creamy suds as the beer is being poured on tap. We offer unfiltered and unpasteurized 12 on tap throughout the year.

WINE

Our wine cellar is full of fine wines from around the world. You will find more than 400 varieties from all the famous wine regions of the world. We are happy to offer you some Italian wines, for example, from Marchesi de Frescobaldi, Agricola Masi and Contarini prosecco.

Lovers of the left and right bank of the Bordeaux River will be amazed – together we have up to 140 wine regions represented. The wines of F. X. Pichler, boasting full points from Robert Parker, proudly represents Austria. The New World is represented by winemakers from Chile, Argentina, New Zealand and South Africa. There are naturally wines from the Czech Republic, for example the new Obelisk winery. Chateau Růbaň and Hubinský wine are small and exclusive wineries in Slovakia.

All-natural and environmental wines also have a place in our wine cellar.

We'll be happy to have you stay with us.
