## Lvičák

(10.5 km / 350 m)

The route offers one of the most charming perspectives, paradoxically however, it is the least visited place in Krkonose .

## Emina cesta

(5.8 km / 230 m)

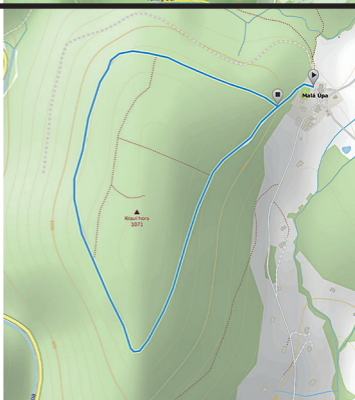

Emina cesta belongs among favorite routes for the cyclists. It is a typical forest road without a significant climb.

## Okruh Kravý hory

(2.9 km / 60 m)

A tour suitable for children. Journey around Kravý hory is no challenge with rare occur of steep and long hills it begins and ends in the same place Dolní Malá Úpa.

## The journey around Malá Úpa

(22.9 km / 560 m)
